Harrisburg Promise	The Harrisburg Promise creates a pathway to postsecondary education for youth in Harrisburg, specifically in these areas: Hall Manor, Hillside Village, Hoverter Homes, MW Smith Homes, William Howard Day Homes and neighborhoods within the Steelton-Highspire School District. The program supports students from seventh grade through graduation from HACC, with early intervention that will reduce barriers to postsecondary education and inspire college aspirations.	7-8	December 13 January 17 February 14 March 14 April 18 May 16	Joe Porter josephporter1964@msn.com
