Welcome From the Superintendent

On behalf of the School Board, Administration, Staff, and Students of the Steelton-Highspire School District, I welcome you to historic War Veterans Memorial Field at Cottage Hill. The communities of Highspire and Steelton have a long tradition of striving for excellence. Excellence is ingrained in our culture and reflected in our expectations for our students. Our students are tasked with doing their very best whenever they compete and demonstrate Roller Pride. Roller Pride is an expectation whether competing in an athletic competition, performing in the classroom, or engaged in the community. The P.R.I.D.E. that our students demonstrate can best be defined as Participation, Respect, Integrity, Dedication, and Excellence. These students deserve our encouragement and sincere praise and they give their all. We hope that you enjoy the competition including the performances of our cheerleaders and band as they demonstrate their Roller Pride.
